

The Tall Ships' Races

Hartlepool, 7-10 August 2010

Hartlepool will be centre stage in August 2010 when up to 100 tall ships from around the world arrive for the finale of The Tall Ships' Races.

This map has been produced to show you where the ships will be berthed and also how the Tall Ships' Site will look. It is of course subject to change between now and 2010.
